

## 2018 Rumble on the River Tournament Rain Policy

All decisions from the Tournament Director are final. Notifications will be posted on the Mississippi Valley twitter and facebook accounts. Coaches would also receive a text of changes if need be.

All decisions from umpires in terms of **lightning or hazardous weather are FINAL**. Umpires will suspend games at the first sign of danger including high wind and rain downpours. Depending on length of game and/or score, games may be ruled FINAL by the Tournament Director.

**Note:** Cases in which the game may be ruled final:

- A) One team leads another team by a large amount
- B) The home team has batted and an inning is complete with 60 or more minutes already played
- C) Forfeit

In case of **lightning**, play should not resume for 30 minutes following the last lightning sighting.

Teams are to remain within proximity of the playing field and not assume the game has been postponed or canceled until a call has been made by the Tournament Director. Games will begin as soon as possible based on weather and field conditions. A five-minute warm-up period is allowed.

MVP reserves the right to change the format and structure of the tournament in order to complete the tournament. We will do everything we can to assure that all games are played, including and not limited to shortening length of games or pool contests, or eliminating consolation games.

In the event that the tournament is unplayable (no games played), teams will be refunded all but \$25 of registration for administration fees. If teams play one game, there will be a 50% reimbursement. If at least two official games by rule are played, or are available for play, no reimbursement will be offered.
